References

On 16th and 17th December 2010, LIDERPAK has provided moving services to our company and has moved our office from Szymanowskiego Street to our new premises in Arkońska street, Gdańsk.

LIDERPAK has proved to be reliable and solid business partner. The service was done in a professional way, in-time and with appropriate care, according to earlier agreements. Therefore, we highly recommend LIDERPAK's services.
